### Patient Participation Group

Dear Patient,

We are encouraging patients to give their views about how the practice is doing. We would like to be able to find out the opinions of as many patients as possible and are asking if people would like to provide their email addresses so we can contact you by email every now and again to ask you a question or two.

Are you interested in leaving your email details?

If so, please could you fill in the contact form overleaf and hand it back to reception or email the above address and we will add your email address to a contact list.

Your contact details will only be used for this purpose and will be kept safely.

Thank you.

Diane Piatek  
Practice Manager
